Logistics, Maritime and Aviation Hub

An aerial photograph of a large airport terminal and tarmac. The terminal building has a distinctive curved, white roof. Several aircraft are parked at gates, including a large white cargo plane with a red tail. Ground service equipment, including baggage carts and fuel trucks, is visible on the tarmac. In the background, there are airport buildings, a control tower, and more aircraft on the airfield.

Genova. Spediporto insieme al Comune di Genova, alla Associazione Italiana Hong Kong, al Consolato Generale, alla HKTDC è presente alla edizione 2019 di Belt and Road Summit. Il governo di Hong Kong e gli operatori economici Asiatici guardano con grande interesse all'Europa e all'Italia. Dopo secoli in cui la storia del mondo è stata scritta da mani occidentali oggi la penna passa nelle mani dell'Oriente e dell'Asia dove c'è una lucidissima idea di futuro e di evoluzione che manca al vecchio continente.

"Una grande occasione per presentare Genova e la Liguria agli investitori internazionali qui ad Hong Kong" commenta il Direttore Generale Giampaolo Botta. Alla presenza dei massimi rappresentanti della Camera di Commercio Italiana ad Hong Kong, del Console Generale, della Associazione Italiana ad Hong Kong e di un nutrito gruppo di investitori portati dalla società internazionale di consulenza Deloitte. "Abbiamo parlato, insieme ai rappresentanti del Comune di Genova, non solo di
